SELF-LEARNING OBJECTIVES

Name of Student _____

CE I CE II CE III CE IV

Facility _____

These objectives are formulated by the student to communicate his/her own goals or interests. They should be regarded as input into the individualized planning which governs the student's clinical learning experience. The self-learning objectives should not be viewed as restricting that planning and may need to be modified to be applicable to the individual facility.

<u>Strengths</u>	<u>Ways to Enhance These</u>
1.	1.
2.	2.
3.	3.

<u>Weaknesses</u>	<u>Ways to Remediate These</u>
1.	1.
2.	2.
3.	3.
