MENTEE RECORD:

Clinical mentor to the following clinicians:

Kate McAtee 2023-Present
Sylvia Son 2022-Present
Elizabeth Hughes 2022
Amy DeFranco 2021

BIBLIOGRAPHY

POSTERS

R Belk and **M Crumley**. *Feasibility of Measuring Activity Performance in Daily Life within Routine Outpatient Neurologic Rehabilitation*. Presented at APTA MO Spring Conference by R Belk.

M Crumley. *Feasibility of Moderate to High Intensity Gait Training in a Patient with Transfemoral Amputation*. ACRM Annual Conference virtual 2021. Accepted to CSM 2022

M Crumley, T Notestine, M Bland, B Crouner, R Duncan, C Holleran. *Barriers to and Percentage of Vital Sign Assessment in an Outpatient Physical Therapy Setting*. CSM 2021 virtual.

M Crumley. *Feasibility of High-Intensity Gait Training in an Individual with Chronic Severe Traumatic Brain Injury in the Outpatient Setting*. Abstracted accepted MPTA spring conference postponed 2020.

O Rinco, M Crumley, and K Indrelie. *Detecting Trace Amounts of Environmental Pollutants via Fluorescence Spectroscopy*. Poster Presentation. Presented at the Undergraduate Research Symposium in the Physical Sciences, Mathematics, and Computer Science, Washington University, St. Louis, MO. 2010.

PRESENTATIONS

B Hughes and **M Crumley** BPPV in Patients with Traumatic Brain Injury. Oral Presentation. Presented at The Rehabilitation Institute of St. Louis, MO. June 2024.

G Vandercar, K Stock, D Priluck **M Crumley** *Reimagining Progress: A Dive into Performance Based Measures in Neurological Physical Therapy*. Oral Presentation.

Presented by G Vandercar, K Stock, D Priluck and R Belk, MO APTA Spring Conference. SLU, St. Louis MO 2024.

B. Hughes and **M Crumley**. *Vestibular Examination and Treatment*. Oral Presentation. WUPT. December 2023.

D Priluck and **M Crumley** *Performing wheelchair clinic evaluations: Applying the Medicare Guidelines to Write Letters of Medical Necessity*. Oral Presentation by, MO APTA Spring Conference, St. Louis, MO 2023

M Crumley. *Feasibility of Moderate to High Intensity Gait Training in a Patient with Transfemoral Amputation*. Oral Presentation. Presented at Washington University Program of Physical Therapy Research Seminar, St. Louis, MO 2021.

M Crumley. *Intensive Gait Training*. Oral Presentation. Presented at The Rehabilitation Institute of St. Louis, St. Louis, MO 2018

M Crumley. *Differential Diagnosis of a Patient with Gait Dysfunction and Dizziness*. Oral Presentation. Presented at MossRehab, Elkins Park, PA 2015.

M Crumley. *Vestibular Migraine-Literature Review*. Oral Presentation. Presented at MossRehab, Elkins Park, PA 2015.

M Crumley. *A Case Study in a Patient with Ataxia*. Oral Presentation. Presented at MossRehab, Elkins Park, PA 2014.

M Crumley. *Ataxia Outcome Measures-Literature Review*. Oral Presentation. Presented at MossRehab, Elkins Park, PA 2014.

M Crumley, M Elgin, E Horner, L Wettach; and John O. Barr, PT, PhD, advisor. *Is Mirror Therapy a beneficial adjunct treatment in patients with sub-acute stroke?* Oral Presentation and Literature Review. Presented at St. Ambrose University, Davenport, IA. 2013

J Armstead, **M Crumley**, J Frinak, S Small, L Jay. *Solving Numerical Systems Using Specialized Partitioned Additive Runge-Kutta Methods*. Oral Presentation. Presented at the Iowa Summer Research Symposium, University of Iowa, Iowa City, IA. 2009.

TEACHING EXPERIENCE

Clinical, Scholar, Educator (CSE) Phase 3 and 5, <i>facilitator, advisor</i>	2023-Present
Module VII/VIII, <i>Lab Assistant, Content creator</i>	Winter/Spring 2024
Washington University Program of Physical Therapy, St. Louis, MO	
Module VI, <i>Lab Assistant, Content creator</i>	Spring 2023-Present
General Medical Conditions-Prosthetics/limb loss content	
Neuromuscular Conditions	
Washington University Program of Physical Therapy, St. Louis, MO	
Module V, <i>Lab Assistant, Content creator</i>	Fall 2022-Present

Neuromuscular Conditions Washington University Program of Physical Therapy, St. Louis, MO Module III, <i>Lab Assistant</i>	Fall 2021-Present
Washington University Program of Physical Therapy, St. Louis, MO Case Integration I, <i>Advisor</i>	Fall 2021
Washington University Program of Physical Therapy, St. Louis, MO “Special Considerations for Individuals with Traumatic Brain Injury” <i>Lecturer</i>	Spring 2021/2022
Washington University Program of Physical Therapy, St. Louis, MO DEA III, <i>Advisor</i>	Spring 2020-Present
Washington University Program of Physical Therapy, St. Louis, MO Diagnosis and Management of Neuromuscular Conditions I and II, <i>Lab Assistant, Practical Grader, and assist with case development</i>	April 2017- Present
Washington University Program of Physical Therapy, St. Louis, MO Washington University Part and Full-time <i>Clinical Instructor:</i> ECE and CE I (1), II (2), III (2), IV (2)	2017-Present
Washington University Outpatient Clinic TRISL location St. Louis, MO “Intensive Gait Training” Neuro Focus Study, <i>Lab Assistant</i>	April 2018-Present
Washington University, St. Louis, MO NCS Online Review Board, <i>Content Contributor</i>	2018-2020
Statistics Review and Introduction into Evidence Based-Practice Regis University Full-Time <i>Clinical Instructor</i>	Fall 2018
The Rehabilitation Institute of St. Louis, St. Louis, MO Neuro rounds for Case integration III, <i>Clinical Instructor</i>	Spring 2018
Washington University, St. Louis, MO Transfer Training Blitz Station	March 2017 and 2018
The Rehabilitation Institute of St. Louis, St. Louis, MO St. Louis University Full-Time Clinical Instructor	Spring 2018
The Rehabilitation Institute of St. Louis, St. Louis, MO Executive Function, <i>Widener University Lecture</i> Co-presenter	June 2015
Arcadia University Part-Time Clinical Instructor <i>MossRehab Elkins Park, PA</i>	September 2014-March 2015
Widener Student Experience, Brain Injury	September 2014-October 2014

PROFESSIONAL DEVELOPMENT

Foundational In Teaching Skills, <i>Participant</i>	2023-2024
Witnessing Whiteness: The Need to Talk about Race and How to Do It, <i>Participant</i>	2020-2021
City Faces Tour, <i>Participant</i>	2019

Conferences Attended and Continuing Education Summary:

- American Congress of Rehabilitation Medicine Annual Conference, Virtual 2021
- American Physical Therapy Association CSM
 - Boston, MO 2024
 - Virtual 2021
 - Denver, CO- The Knowledge Translation Preconference 2020

- Washington D.C 2019
- New Orleans 2018
- San Antonio, TX 2017
- Indianapolis, IN 2015
- Las Vegas, NV-The ABCs of Vestibular Rehabilitation 2014
- Chicago, IL 2012
- Gait and Balance Dysfunction in Individuals with Neurodegenerative Diseases November 2023
- Transitioning from Differential Grading Systems to Competency-Based Assessment Considerations, Approaches and Lessons Learned May 2023
- Translation of In-Clinic Gains to Gains in Daily Life After Stroke March 2022
- Leveraging Large Data and Wearables to Advance Care in PT February 2022
- Tracking Movement in Knee OA: from Lab to the Community October 2021
- Axillary Cording: Discussion on Etiology, Musculoskeletal management, and Outcomes April 2021
- Community Based Research and the Role of Physical Therapy: Fostering Student Engaged Research February 2020
- The Effects of Rhythmic Auditory Cueing on Movement Variability in Parkinson Disease January 2020
- Physical Therapy for People with Parkinson Disease who have Deep Brain Stimulation: Safety, Feasibility and Preliminary Efficacy December 2019
- Foot Dysfunction in People with Diabetes Mellitus and Peripheral Neuropathy November 2019
- Evidence-Based Treatment of People with Parkinson's Disease October 2019
- Falls in Older Adults with Cancer: From Risk Prediction to Prevention September 2019
- Functional Changes and Treatment of Injury Induced Intervertebral disc Pathology in Pre-Clinical Models August 2019
- NPTE Regional Item Writing Workshop June 2019
- Advanced Vestibular Conference, Pittsburg, PA May 2019
- The International Vestibular Conference August 2018
- Advanced Spinal Cord Injury Course Healthsouth August 2018
- Geometric Skeletons for Shape Analysis March 2017
- The Role of the Physical Therapist in the Management of Children with Neurofibromatosis Type I (NF1) February 2017
- Introduction to RT300 FES Ergometry Course October 2016
- Training Proprioception (Body Awareness) in Stroke March 2016
- Brain Injury Rehabilitation (TBI and Post Concussion Syndrome) December 2015
- Development of a Dual-task and Multitask Assessment for Soldiers With Concussion: Lessons Learned for Civilian Rehabilitation Practice November 2015
- APTA Credentialed Clinical Instructor Program October 2015
- Environmental Management System for Neurologically Affected Patients September 2015
- Cadaver Anatomy Review for Physical Therapy September 2015
- Clinical Application of Acute Dizziness August 2015
- Stroke Rehabilitation: Evaluation, Treatment, and Selected Topics April 2015
- Endurance Tests and Interventions from the Healthy to the Complex Patient March 2015

- Evidence Based Physical Therapy for Cervicogenic Dizziness, Cervicogenic Headaches and Whiplash Associated Disorders March 2015
- Comprehensive Physical Therapy Management of the Individual following Traumatic Brain Injury February 2015
- Clinical Assessment of Gait and Movement in the Individual with Neurologic dysfunction October 2014
- What's Right? Making Decisions in Patient Care September 2014
